# The Mayor's energy hierarchy

**Be lean – use less energy**

**Be clean – supply energy efficiently**

**Be green – use renewable energy**

- Introductions – share your experiences of delivering low and zero carbon developments
- Discussion question:
  - **What would have to happen to deliver the Mayor’s zero carbon vision for London?**
    - What additional support beyond LEP Zero Carbon Developments Guide?
    - How to make toolkit most useful? eE.g. dissemination, training,
    - What role for LEP and its partners?
- Pick top 3 actions and feed back; note takers to help
- Plan to finish by 16.50 for final plenary
