15.20 – 15.30	Introduction to Workshops	David Green
15.30 – 17.00	Workshops	

15.30 – 17.00	Workshop Title	Session detail	Chair / Speakers
<i>Workshop 1</i>	Planning & Development: Zero Carbon Developments and LEP's Low Carbon Designer	Hear from those involved in delivering low and zero carbon development in London, what does and doesn't work, and how it is changing what they do. Identify further support required to enable effective delivery in London.	Nick King, LDA
<i>Workshop 2</i>	Energy Efficiency & Fuel Poverty	Feed into LEP's proposal for work on fuel poverty over the coming year.	David Green
<i>Workshop 3</i>	Energy Action Areas; ESCOs; Community Heating and CHP	Hear about learnings from existing ESCO's and discuss current barriers & ways to overcome them. Discuss how ESCO's and these low carbon technologies can be facilitated through Energy Action Areas and the Community Heating and CHP Action Plan.	Michael King, CHPA
<i>Workshop 4</i>	Skills Development (including Education for Planners)	Hear the detailed findings for the range and numbers of additional jobs and upskilling required to meet London's carbon reduction targets by 2020. Discuss how partners can help meet this demand.	Tony Day, LSBU
<i>Workshop 5</i>	Investing in London's Low Carbon Future	Discuss how partners can deliver proposals for a London Green Fund, a Green Buying Mutual, a Rental ESCO, and a Low Carbon Advisory Service, which will contribute towards realising the investment necessary for London's low carbon future.	Sophie Justice, RBCCM
<i>Workshop 6</i>	Climate Change and Energy Strategy Review & Climate Change Action Plan	Discuss how partners can contribute to new statutory Energy & Climate Change Strategy and how LEP can help deliver the Mayor's CCAP	Andy Deacon, GLA Energy
17.30 – 20.00	Evening Reception London's Living Room at City Hall	<p>David Green, Chief Executive of UKBCSE & Chair of the London Energy Partnership</p> <p>Ian Pearson, MP for Climate Change and the Environment (tbc)</p> <p>Andrew Reaney, Head of Residential Energy London, British Gas</p>
